OmegaMohair is a ready mixed, highly decorative and durable textural roll for internal and external use based on Acrylic Copolymer water-based resins. It provides soft touch, non-cracking impermeable wall coating. It comes with guarantee against fading and peeling. It is recommended for use on staircase walls, offices, warehouses and balconies.

Characteristics

- Especially designed for use on all types of surfaces (cement plaster, concrete, & wood).
- Hides surface defects.
- Soft & tough, durable coating.
- Excellent adhesion to wall surfaces.
- Easy and fast application.
- Easy and good wash-ability.
- This product can be diluted with small percent of water.
